

The image shows the interior of a restaurant or bar. The focal point is a large, arched opening in a wall made of rough-hewn stone. Inside this arch, there is a grid of small, dark square openings, some of which contain bottles. In the foreground, there is a wooden table with several chairs that have dark frames and light-colored, woven backs. Two white menu boards are placed on the table. The lighting is warm and ambient, with two cylindrical pendant lights hanging from the ceiling. The overall atmosphere is rustic and modern.

Two lit candles in white holders provide warm lighting. Small vases with fresh flowers are placed along the table. The atmosphere is intimate and sophisticated.
